Good morning,

Can you please clarify what you mean. We have men who sweep the sidewalk and gutters daily. Do you mean an actual street cleaning machine?

Good Afternoon -

The City Controller's Office is conducting an audit of the City's Street Sweeping program and would like to know if your BID provides its own street sweeping. Could you please email Cynthia Varela (cynthia.varela@lacity.org) directly with your response? Thank you.

Also, please find attached the vendor self-service slides as presented at the October meeting.

Have a great evening!
